## **PRIMARY CHILDRENS' READING PROGRAMME**

We all know the value of reading. Reading involves the recognition of words and the understanding of their meaning. The more a child reads, the more it enriches vocabulary, feeds imagination and improves written and spoken expression.

### **Continuous Evaluation of following topic to be done daily.**

- ❖ Reading & Writing (Hindi & English Both)
- ❖ Oral Table
- ❖ Practical Knowledge of real life example.
- ❖ Dictation & Hand Writing test will be done regularly.

### **Salient Feature of:**

- ❖ To encourage the reading habit, the children are provided with a set of selected storybooks as part of the class library.
- ❖ The children may be allowed to read their own books in addition to those provided as part of the class library.
- ❖ Children can be encouraged by rewarding them on the basis of the number of books read.
- ❖ Syllabus of Art, Craft and Moral Education will be decided by concerned teachers as per contemporary and circumstantial requirement.

**Note:** • Higher Order Thinking Skill Questions ( HOTS) will be taught after every chapter in each subject.  
• Value Based Question will be taught after every chapter in each subject

Hold My Hand, God,  
lead the way,

Help me be good everyday.  
Let me know what's wrong and right,  
Keep me safe all through the night,  
Let me know what you have planned.  
Lead the way, God,  
Hold my hand
