PRIMARY CHILDRENS' READING ROGRAMME

We all know the value of reading. Reading involves the recognition of words and the understanding of their meaning. The more a child reads, the more it enriches vocabulary, feeds imagination and improves written and spoken expression.

Continuous Evaluation of following topic to be done daily.

- ❖ Reading & Writing (Hindi & English Both)
- ❖ Oral Table
- ❖ Practical Knowledge of real life example.
- ❖ Dictation & Hand Writing test will be done regularly.

Salient Feature of:

- ❖ To encourage the reading habit, the children are provided with a set of selected storybooks as part of the class library.
- ❖ The children may be allowed to read their own books in addition to those provided as part of the class library.
- ❖ Children can be encouraged by rewarding them on the basis of the number of books read.
- ❖ Syllabus of Art, Craft and Moral Education will be decided by concerned teachers as per contemporary and circumstantial requirement.

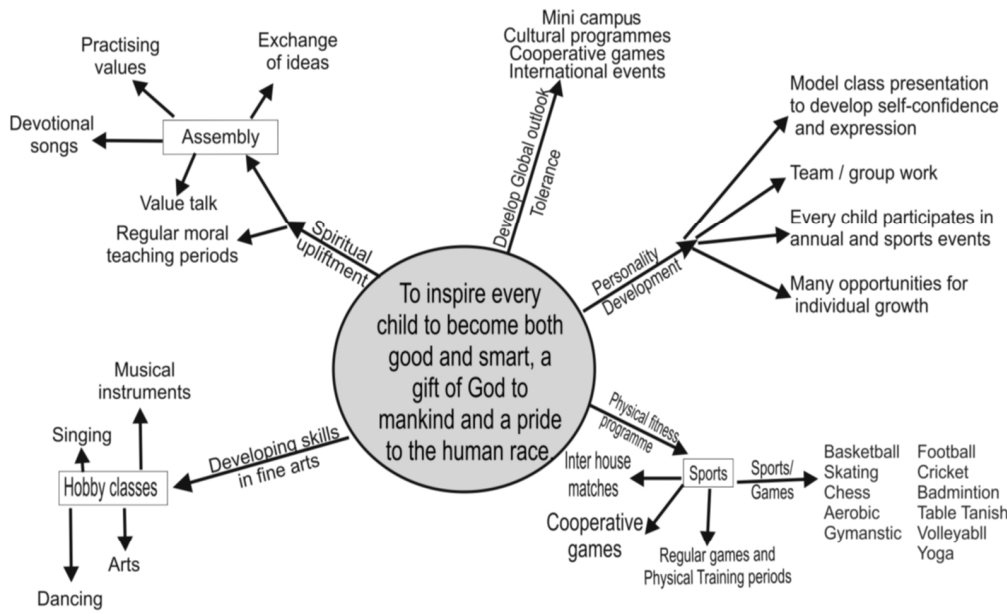

Note: • Higher Order Thinking Skill Questions (HOTS) will be taught after every chapter in each subject.
• Value Based Question will be taught after every chapter in each subject
