MESSAGE FROM

VICE-CHAIRMAN'S DESK

Dear Parents/ Guardians and Students

Greetings!!

"Develop a passion for learning. If you do, you will never cease to grow "

To my mind education is an idea , is not just about bricks, mortar and concrete but about building character ,and reaching minds and about varied experiences that last a lifetime.

Our pedagogy is child -centric with emphasis on enquiry and project based learning . Besides rigorous scholastic programmes, we focus on developing both the mental and physical abilities of a student. The activities provide grooming to the student where in the child is able to to explore his true potential.

Bhartiya Public School is a school that imparts holistic lifelong learning which empowers the child to be the architect of own life and an ambassador of good ,compassionate, just and productive citizenship deeply rooted in the values of our school.

I assure you that our school will definitely prove that it is really a corridor to the future for the stars of your eyes in due course of time.

Best wishes

Dr. SHISHRAM RANWA

MESSAGE FROM DIRECTOR'S DESK

Dear Parents, Guardians & Students

“Great things come from hard work & perseverance. No Excuses.”

At Bhartiya Public School our approaches to learning is child centric, encouraging, Activity based learning and inculcating a scientific temper and a spirit of free enquiry. In our curriculum the student is the primary focus and each child is involved in the learning process. We are constantly improving our teaching methodology so that it turns learning into combination of classroom study, research and scientific discovery. While academic excellence is our major thrust, the school is also devoted to prepare the students for life, groom them to face the challenges of tomorrow, and encourage them to be socially relevant. We constantly endeavour to always live up to this ideology and inculcate this into everything we do, with the aim that we will be able to ensure that the children grow to their full potential, while constantly being groomed to pass out as men and women competent to bear responsibility in all walks of life. The parents are the most strengthening power in moulding the future of children. Their consistent support empowers us to do more and more. I pay my gratitude to them for their faith in us. I am confident enough that the Bhartiyan will make themselves stronger day by day, adding a new leaf to the grandeur of the school.

Best wishes
